## Welcome

Social Sciences 2017 invites you to the International Conference on Social Sciences and Interdisciplinary Studies which will be held in August 7-8 at London, UK. We hope that Social Sciences 2017 will provide new dimensions to the current research in the field of Medical Sociology, Sociology, Medical Anthropology, Healthcare, Psychology, Law & Criminology, Philosophy and Humanities. It is one of the largest innovative platforms for sharing research work, exchanging ideas, discussing issues, promoting research, encouraging young minds by and among the leaders in the field of Healthcare and Technology including Healthcare Professionals, Healthcare Administrators, Physicians, Public health specialists, Policy makers, Students, Researchers, and Academicians with a vested interest in Healthcare.
