The Australian Leadership Awards (ALA)

The ALA program comprises ALA Scholarships and ALA Fellowships. These awards are for leaders or those who have potential for leadership roles that can influence social and economic reform, both in their own countries and in the Asia-Pacific region. ALA Scholarships are for study at Masters or Doctorate level in an Australian university. Study programs must relate to a priority development area: disability, economic growth, education, environment, food security, gender, governance, health, human rights, infrastructure, regional stability, rural development, water and sanitation. ALA scholars also undertake a Leadership Development Program in Australia. ALA scholars are required to return to their home country or the region for two years after they have completed their studies in Australia. Selection for ALA Scholarships is competitive, based on leadership qualities, academic excellence and potential impact on return home. To be eligible to apply, you must meet the following criteria. For more details see: <http://cambodiajobs.blogspot.com/2007/11/australian-leadership-awards.html>

Journals /Books**Articles invited for Statistical Communications in Infectious Diseases**

Statistical Communications in Infectious Diseases is devoted to application of Statistical ideas to problems of infectious diseases, both theoretical and policy-oriented, on the role of statistics in infectious disease control efforts. The journal fosters communication between statisticians and policy makers on the role of statistics in this important and hotly-debated public policy area. Editors and editorial board members come from around the world, such as Harvard, Imperial College London, Royal Melbourne Hospital, and Universidad de Sao Paulo. For more details see <http://www.bepress.com/seid>

Special Issue on Violence against Women of Indian Journal of Human Rights and Justice

Indian Journal of Human Rights and Justice Invites original research papers, articles, project reports and abstracts of doctoral dissertations on gender violence for the Special Issue on Violence against Women. The editor of this publication is Dr. Subash Chandra Singh, Dean, Faculty of Law, M.G. Kashi Vidyapeeth, Varanasi. Uttar Pradesh. The contributions must not be more than 6000 words including notes, references and tables. For details please write to serialspublications.india@gmail.com

Bulletin of the World Health Organization special issue dedicated to the theme of rural retention of health workers

This publication addresses the issue of turnover of health workers in developing countries and presents several strategies for retention of health workers. A “pipeline-to-practice” approach to education for rural practice seems promising, particularly if medical schools embrace a social accountability framework to make them more responsible to communities. For more details see: <http://www.who.int/bulletin/volumes/88/5/en/index.html>

Demographic Responses to Economic and Environmental Crises : by Satomi Kurosu, Tommy Bengtsson and Cameron Campbell (eds.) : The proceedings of the IUSSP Seminar on Demographic Responses to Sudden Economic and Environmental Change, which was held on 21-23 May 2009 in Kashiwa, Japan are published by Reitaku University (Japan), You can download the complete volume (8.6Mb) or individual chapters at: <http://www.iussp.org/members/restricted/publications/Kashiwa09/programme09.php>

Horizons Synthesis Background Papers of the Population Council

From 1997 to 2008, the Population Council has been implementing an Operations research programme on HIV/AIDS known as Horizons in close collaboration with the International Center for Research on Women, the Program for Appropriate Technology in Health, the International HIV/AIDS Alliance, Tulane University, Family Health International, and Johns Hopkins University. A special section of *Public Health Reports* (PHR) (March–April 2010) was produced that contains articles that provide a synopsis of research conducted under the Horizons program from 1997 to 2008. For the details please: <http://www.popcouncil.org/publications/serialsbriefs/HorizonsSynthesis.asp>

Poverty, Gender, and Youth Working Papers of the Population Council

Poverty, Gender, and Youth Working Papers present results of Council research on such topics as gender and family dynamics, fertility and reproductive behavior, policy development, transitions to adulthood, and urban poverty and health. The working papers can be downloaded from the website: <http://www.popcouncil.org/publications/wp.asp>. To subscribe to the *Poverty, Gender, and Youth Working Paper* e-mail notification list, please write to pgywp@popcouncil.org

Charity starts at home...you too can join

It has been the policy of the **INDIAN ASSOCIATION FOR SOCIAL SCIENCES AND HEALTH (IASSH)** to encourage young research scholars to participate in our annual conferences and to present a paper under for the “**Young Scientist best research paper award** ” . The basic criteria is that the individual research work carried out by the youth below 30 years. A small award was instituted from the Sixth IASSH conference (2008) held at University of Pondicherry, Puducherry continued in the Seventh Conference held at Banaras Hindu University, Varanasi. There was overwhelming response from the youth scholars . In the sixth conference two best research papers identified by the jury for the youth from JNU and North Eastern region. In the Seventh Conference held at BHU, Varanasi, the following research scholars were selected for the awards :

Young scientist best research paper award

1. V Vijayalakshmi “ SHGs in Empowering Women’s Health : An Empirical Study”
2. Rajesh Kumar Rai “ Effects of Family Structure on Child Mortality in India”
3. Aninidita Chowdhury “Impact of Male Sexual Deficiencies on STDs”

Apart from the Young Scientist best research paper award, this year (2010), **Poster presentations** have been initiated to give scope for researchers to express their research work through Poster presentation. **The best post award was given to the following persons:**

Best Poster award

1. P Jagannath “ Oral Hygiene Practices among 12-14 years Old Rural Children of Kinaya Village : A Cross Sectional Study”
2. Vibha Pandey, K Adibabu, B Jena, Ramana Rao and D Bharadwaj “ Trauma Related Emergencies among Children attended by GVK-EMRI in AP”
3. Varun Sharma “ HIV/AIDS – Beyond Numbers”

The expenditure for the awards was supported by **Sigma Consultants Pvt. Ltd.**, and presented by **Dr. U. V. Somayajulu, President of Sigma Consultants** and current Secretary of IASSH.. **We would like to create a corps for these awards** in subsequent years, and we had requested the support of our members by way of donations.

In response to this request we have received so far the following donations:

1. **Dr. K. E. Vaidyanathan: Rs.5000/-**
2. **Dr. U. V. Somayajulu: Rs.5000/-**
3. **Dr. N. Audinarayana: Rs.5000/-**
4. **Dr. C.P.Prakasam: Rs.5000/-**

You can join hands by sending your contribution to by DD or mail transfer to:

Secretary, IASSH payable at Mumbai to the following address OR

Through internet, either debit, credit card you can pay.

Minutes of the IASSSH GB meeting held at BHU, Varanasi on 5th March 2010

1. The GB approved the last year financial statement and made decision to increase the life membership fee to Rs2, 000 and annual membership fee to Rs500 per year; this will be with effect from April 1, 2010.
2. Prof CP Prakasam and Prof KE Vaidyanathan mentioned that new EC has to be elected as the current EC's term is getting completed.
3. Prof PKB Nayar suggested that the present EC should continue for another term with separation of General Secretary and Treasurer as decided in the last GB meeting held at Pondicherry.
4. Prof Nayar proposed Prof Vaidyanathan as President, Prof Prakasam as Vice President, Dr Somayajulu as General Secretary and Prof Audinarayana as Treasurer. Dr Peppin and Dr Tekhre seconded this.
5. Prof MSR Murthy proposed that the EC should have a joint Secretary, while Dr KNM Raju seconded it
6. The GB also approved the composition of the EC as 5 office bearers including Joint Secretary and 8 EC members
7. Dr Tekhre expressed his inability to continue as EC member
8. The GB felt that Dr Shiva Raju and Dr Parvathy should be replaced by new EC members
9. Dr Poonam Mehta Dr Chura Giri and Dr Mahakud expressed their willingness to continue as EC members. Prof Nayar conveyed the willingness of Dr Vighnesh Bhat to continue as EC member
10. Dr Audinarayana and Dr Pratibha Mishra proposed Prof MSR Murthy's name as one of the EC members and Dr Muniappan seconded the same
11. Dr Peppin's name for EC membership was proposed by Prof Nayar and seconded by Dr U V Somayajulu
12. Dr A Varadarajan name for EC membership was proposed by Dr Tekre and seconded by Dr S Talwar
13. Dr Vijayanti Mala's name for EC membership was proposed by Dr Subarna Lata Sahoo and seconded by Somenath Bhattacharya
14. Prof Vaidyanathan informed the GB that the theme for the next annual conference is Health, Environment and Sustainable Development
15. Prof Prakasam and Prof Vaidyanathan invited proposals from members for hosting the next conference
16. Prof MSR Murthy expressed their willingness to host the next conference at Sri Venkateswara University, Tirupati on behalf of the Dept of Population Studies and Social Work
17. Dr Nalini Khanna proposed Lucknow university, while Dr Pratibha Mishra proposed Ladnu as the venue
18. The meeting ended with thanks to all the members for their active support and participation.
